This evaluation will be very important in determining the value of your work experience. The evaluation should be honest and indicate problems as well as your progress during the period.

1. In what ways did your classes and campus activities prepare you for your summer training?
2. What other campus activities, courses and/or work experience do you think would have helped you with this internship?
3. In what manner has this assignment contributed to your professional development?
4. List three things you plan to do or not to do differently as a result of this program.
5. What changes, if any, would you recommend in your summer training?
6. What other areas of experience would you like to acquire through an additional summer training?
7. Did you have trouble practicing the knowledge that you have?
8. Did you work in the department you expected to be placed?
9. Would you recommend this placement to another student?
10. Feel free to provide any additional comments.
